Sir,

With reference to Government order No $\frac{16888}{F\ 39\text{-}02}$ of the 28th May 1903, declining to sanction the proposal of the Nanjangud Municipal Board to levy tolls, on the ground that both tolls and octroi cannot be levied in minor Municipalities I have the honor to state that the subject was again considered by the Board and it was resolved that tolls may be levied on all other carts than those bringing in the dutiable articles. While submitting a copy of the resolution, the Assistant Commissioner of the Division says that 'Nanjangud being a place of pilgrimage the roads, drains and surroundings will have to be maintained in a high state of efficiency/ and the sanitation of the town should also be improved. All this means a large sum of money/, which the poor Municipality/ could not afford to pay; even the muzrai collections of the temple at Nanjangud are high, but the Municipality/ which contributes so much for the material welfare of the pilgrims derive no benefit from the temple proceeds. Under these of the Municipality, to levy a toll on carts entering the town.
